Display Screen Equipment (DSE) - staff that regularly use DSE as a significant part of their normal work are considered to be DSE Users (daily, for continuous periods of an hour or more). DSE Users are required to complete an assessment form, which is available within the Health and Safety folder on the T Drive (T:\RMstaff\Staff Resources\Health and Safety – Whole School\5-Display Screen Equipment-Forms and Information). Completed forms should be returned to the Business Manager.

There is information on the T Drive that is relevant to all staff that use DSE and there is also some really helpful guidance available through our new online learning package at:
