Dear Parent/Carer

Christmas Hampers

This year Looe Community Academy has committed to working closely with the Lions Club of Looe by providing Christmas Hampers for the community's elderly and vulnerable.

We have set the challenge for each tutor group to fill a box of Christmas treats to be handed over in December.

We ask for your support in making a difference to someone's life this Christmas and we ask that where possible, please can every student provide a Christmas item for their tutor's box. Treats need to be non-perishable and within their use by date and can range from a packet of biscuits to a Christmas pudding, a box of chocolates to some Stollen cake and everything in between.

In light of current global events, the sense of community, support and kindness is needed even more than ever. Though so many have been affected by COVID 19 through various means, if you and your family feel you are in position where you are able to contribute toward your tutor groups Christmas Hamper box this would mean a great deal to those that receive them. The response we received last year was overwhelming and we as a school aim to create the same response with our contributions this year.

The boxes will be collected during the second week in December so please can donations be brought in and given to your child's tutors anytime from now up until Monday 6 December.

Thank you so much for your support and generosity.

Yours faithfully

S Day
