Dear Parent/Carer

Please find attached a presentation and info sheet from the recent Key to Success evening held for our year 7 parents and carers. The parents/carers in attendance shared with staff that the contents were so informative, that it should be shared with **all** families.

If you have any questions about the content of the presentation, please do contact Mrs Jackman who is our Deputy Headteacher and SENCo, and she will do her best to get in touch and answer any queries.

The presentation is information for parents/guardians and for parents and guardians to make informed decisions about how they wish to use or not use the information. The information is based on evidence and a booked 'Hold on to Your Kids'. We are in challenging times and the content is to help us to help the next generation navigate our busy world.

We are a caring community here at Looe Community Academy and wish to work with parents and carers in providing the best possible learning environment and experience.

Please do use the information to your advantage and get back in touch should you need to.

Kind regards

Mrs Kate Jackman
Deputy Headteacher /SENCO
