Dear Parent/Carer

Year 7 PSHCE Autumn Term Update

I would like to inform you of the subjects your child will be learning in the Autumn Term in their PSHCE lessons. PSHCE composes of three themes, in line with our Academy values, which are taught twice a year and are delivered under the topic names of:

1. **Respectful Relationships:** Topic 1 - Exploring Relationships; Topic 2 – Safe Relationships
2. **Taking Responsibility:** Topic 1 - British Life; Topic 2 - Future Life
3. **Building Resilience:** Topic 1 - Healthy Body; Topic 2 - Healthy Mind

In the first half term, Year 7 will be completing Exploring Relationships. These lessons will include:

- How can I maintain genuine friendships and avoid toxic ones?
- Bullying or banter? What is and isn't acceptable?
- How can we keep safe and have positive friendships?
- Types of family relationships
- Love and relationships
- How to trust sources of information

In the second half term, Year 7 will be moving onto British life, during which students will learn about:

- Political parties, elections and how we vote
- What does it mean to be a British citizen?
- Different types of stereotyping

By sharing these subjects with you I hope you can engage with your child about these topics and support their learning. If you need any advice or information regarding their topics, please contact me by email jreynolds@looe.ca.net

To help you support your child's learning, Looe Community Academy are excited to offer you access to their Community Online Membership. Your membership gives you access to over 100 courses which will help you
