## Health, Safety and Wellbeing

Please remember the basics of good COVID mitigation:

- Hands - sanitise or wash your hands regularly and as a minimum on arrival, before putting on/taking off your face covering, before eating, after using the toilet.
- Face - avoid touching your eyes, nose, mouth, as these are entry points for the virus and wear a face covering when using transport and when circulating indoors.
- Space - maintain 2m distancing wherever possible (the accepted exception, for students, is the classroom situation) - staff will lead by example.

Ventilate - please ensure a supply of fresh air and allow students to dress accordingly.

1. Welcome to Mrs Jenkin who joins us as our new Site Support and Supervisory Assistant. Mr Barron will start as Learning Support Assistant this week.
2. A virtual assembly will be made available on Monday for tutors to play during a morning of their choosing.
