Dear Parent/Carer

### **Accessing Distance Learning - PSHCE**

Personal, Social, Health Citizenship and Economic Education (PSHCE) is delivered once a week by tutors.

As part of the distance learning package, you will find all of the PSHCE learning on Show my Homework. It is referred to as Private Study. Here you will find the topic that your child is currently studying, along with the workbook and PowerPoints that would be used in class. The remaining topics for 2021 are Life Relationships, My future Life, Community and Family Life and Healthy Body, Healthy Life.

Working with your child on their PSHCE learning is a great way to see the life learning that we teach each year and can encourage some very interesting conversations between yourself and your child. We find young people have some amazing ideas, opinions and questions and it would be fantastic way for you to be part of this journey.

Yours faithfully

**Jenna Reynolds**

**PSHCE and Careers Leader of Learning**
