<b>Health, Safety and Wellbeing - Taking Students Off Site</b>
We are fortunate to offer students wider experiences and opportunities to learn away from the Academy, but this needs to be carefully managed to ensure that their learning is not disrupted and that they are kept safe. Staff are required to follow the well-established educational visits process; a good starting point is the Educational Visits folder on the Admin Shared Documents area. The checklist (see folder "Forms") will guide you through the process, which starts by securing SLT approval for the activity. Once approved there are a number of key stages that need to be followed, including submission of the Educational Visits form, undertaking risk assessments, securing parental consent and providing a copy of all supporting documents to SLT emergency contacts. If in doubt about any part of the process, please see a member of SLT.

1. Thank you to the staff who supported the new Year 7 Induction day and evening last week and I hope that the children enjoyed their time here.
2. Thank you to Miss Wood, Mrs Feldberg, Mr Stevenson, Mr Gilbert and the Year 10 and 11 students who exhibited their work at the CreatEd Exhibition at Falmouth University last week. The event is a wonderful celebration of the art and technology produced from across the county.
3. We welcome back Olympian Michaela Breeze MBE on Wednesday who will be delivering workshops on achievement, healthy living and the power of coaching.
4. Thank you to students Molly Gilbert and Scarlett Crago who planned and delivered the Learning to Learn Workshops for Year 6 students.
5. We look forward to Sports, Health and Wellbeing Day this Friday, please see below for full details. We also welcome Key Stage 2 students from our feeder primaries who will visit our Integrated Health Centre to explore mindfulness workshops.

6. End of year exams will take place the week commencing 9 July following the SMART review.
7. We look forward to this year's Summer Fayre on Wednesday 11 July at 5.30pm. Tutors and students are invited to start to plan for their stalls to raise money for this year's charities. Raffle prizes will be most welcomed along with white elephant goods, plants and books. Each stall holder will need to complete a Health and Safety Risk Assessment. This year our annual Music and Dance Showcase will be on the same evening for visitors to the Summer Fayre to enjoy.
8. Thank you to the staff who have used the IRIS Connect system. IRIS will be in the English department this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
