Homework timetable

Odd week

1. Thank you to Mr Crean, Mr Riley, Mrs Bennett and Mrs Chapman for hosting the annual spring term Sports Festival last Tuesday. A group of 40 sports leaders lead over 100 primary school pupils from the area in badminton, football and tag rugby for a whole afternoon of sporting fun and activities. The leaders were accompanied by ex-student Luke Chapman who has represented England U18 in rugby. Luke offered inspiration for the youngsters who competed in the annual Tag Rugby competition. Some excellent leadership skills were on show from the Year 10 sports leaders who organised the activity and thank you to Luke Chapman too for his valuable input.
2. Thank you to Mr Turpin for taking a team of Year 8 students to Camborne College for an event as part of the Science, Technology and Engineering week last Monday. The day was based around the Bloodhound Supersonic teams challenge to build a vehicle capable of travelling at over 1000mph. The fantastic teamwork and understanding of the engineering and design challenge helped us to achieve a strong second place overall. All students have their own certificates and our school name will be printed onto the tail-fin of the actual Bloodhound car when it attempts the land speed record.
3. Thank you to the Science department for arranging and accompanying the students on two trips last week. The first to the Eden Project to learn about Molecular biology and the second to Liskeard School and Community College as part of National Science Week.
4. Thank you to Miss Gray, Mr Hodges, Miss Goodwin, Mr Turpin, Mrs Hallworth, Mr Pilling and Mr Keveth for last Thursday's Year 8 Parents' Information Evening. Feedback from parents was complimentary, though some were unaware of forthcoming Year 8 exams. Please remind students of their exam times and assist them with planning their revision.
5. Congratulations to the Year 7 football team who beat Newquay Tretherras 2-1 to reach the final of the Cornish Cup. A fantastic match with a very competitive edge, where Looe fought until the very end to hold on to a one goal advantage.
6. Good Luck to Mrs Rowe and all of the students and staff who have worked so hard to produce the Fashion Show this year. I look forward to seeing the Show on Friday at 7.30pm. The exam zone will operate on Friday. Primary school children will be in for the matinee between 12.45pm and 1.30pm. Tickets are on sale from students services.

7. The Gallery next to the hall is out of bounds for most of the week due to storage of items for the fashion show.
8. Please refer to the importance of safe use on the internet following my assembly last week, they should protect their sites, data and images. Remind students that they can get in to trouble with the police if they write or upload anything inappropriate. Anything that is uploaded can be traced. On-line name calling, bullying or intimidation will be followed up as will threatening behaviour.
