

Monday 4 November – Friday 8 November 2019

Seal outcome	Commitment	PSHCE Theme	Teaching and Learning Focus
I understand that the way I think affects the way I feel, and that the way I feel can affect the way I think, and know that my thoughts and feelings influence my behaviour	I will conduct myself so as to protect the safety, interests, and rights of all individuals in the Academy. This also means that I will always listen to my peers and members of staff and give everyone my respect	Living in the wider world British values	Building strong relationships Seating plans and classroom consensus

Academy Upcoming Events/Key Dates	International Days
Year 7 Information and Settling in Evening – 6 November Remembrance Sunday – 10 November Armistice Day – 11 November	Stress awareness day – 6 November

Literacy Objectives
<p>Closing the Vocabulary gap through the use of word walls, word games, vocabulary health checks, student friendly definitions</p> <p>Encouraging Academic Tone – through the teaching of Tier 2 Vocabulary (academic word lists) and dictogloss</p>

Health, Safety and Wellbeing
<p>The safe use of electrical extension leads</p> <p>It is always preferable to plug all devices in to the mains sockets that are provided throughout the Academy.</p> <p>Where this cannot be achieved, the first consideration should be whether the space can be rearranged to access existing sockets, or whether additional mains sockets can be installed.</p> <p>Where this is not practical, or where there is a temporary need, it may be necessary to use an extension lead. Only leads purchased by the Academy bearing an in-date PAT test sticker can be used.</p> <p>The leads are generally rated to 13 amps, but please establish the fuse rating on the plug and ensure it is suitable for the intended task. The total load of the all appliances that are plugged in to that extension lead should not exceed the extension lead rating.</p> <p>Staff are therefore requested to check any extension leads that they use to ensure that they are in-date and suitable for the equipment they are powering.</p> <p>Please discuss any issues or new requirements with Mr Minnette (or Mrs O’Connell for PAT testing). The online Helpdesk can be used to request support, report defects or request PAT testing.</p>

Staff Notices
<p>GDPR - the data management aspects of any new programme, app or subscription that draws on, or is populated with student or staff data are to be discussed with the Data Protection Officer before being implemented, to ensure privacy by design and to secure the appropriate contract terms for processing our data</p> <p>Unless with specific approval and covered by an up to date risk assessment, kettles should not be used in classrooms. Staff carrying hot drinks around the Academy are to ensure the vessel has a lid</p>

or cling film to prevent spillage.
