<p>The safe use of electricity and electrical appliances The Academy's fixed wiring installation is inspected every 5 years and will be re-inspected during the summer holiday; any defects (e.g. switches or sockets) must be reported to the Mr Minnette the Estate Manager. All portable electrical appliances are checked by a competent person at a frequency appropriate to the equipment's use; new electrical equipment must be registered with the PAT Co-ordinator (EOC) to bring it on to our test regime. Please ensure any electrical equipment you use has an in-date test label and visually inspect it before use for obvious defects that may have occurred since the last test; any defective or suspected defective equipment must not be used and must be disconnected and removed to prevent others from using it, and reported immediately for repair/replacement. The online Helpdesk can be used to report defects or request PAT testing.</p>
