<p><b>Literacy Objectives</b> <b>Closing the Vocabulary gap</b> through the use of word walls, word games, vocabulary health checks, student friendly definitions <b>Encouraging Academic Tone</b> – through the teaching of Tier 2 Vocabulary (academic word lists) and dictogloss</p>
---

<p><b>Health, Safety and Wellbeing</b> As part of our collective responsibility, all staff and volunteers are required to read the 2019/20 Health, Safety and Wellbeing (incorporating students with medical needs) policy that was circulated. Whole school Health, Safety and Wellbeing information can be accessed on the shared drive at <i>T:\RMstaff\Staff Resources\Health and Safety – Whole School</i>, including whole school risk assessments, information on Display Screen Equipment, meeting minutes and audit reports. The online Helpdesk can be used to report any health and safety concerns.</p>
---

<p><b>Staff Notices</b> As part of your data protection responsibilities, it is essential that you lock any PC or electronic device when left unattended. This can be achieved on a PC by holding the Windows button and selecting “L”</p>

IRIS location this week	PE and MFL
-------------------------	------------

1. All of our Year 7 students will participate in STEMfest 2019 on Monday. This is an event run by the National Marine Aquarium in partnership with Princess Yachts, a British luxury yacht manufacturer based in Plymouth. This is an opportunity for students to get hands on with the Science, Technology, Engineering and Maths. The students spend the day at Plymouth taking part in three workshops and a STEM activity. After the event the Academy will be presented with a flat-pack rowing boat kit and each tutor group will be involved in the construction of the boat. Once complete, the boat is returned to Plymouth and the students are given the opportunity to launch their customised boat and row it through Plymouth Sound as part of the Mayflower 2020 celebrations.
2. This weekend Looe hosts the Looe Live music festival. This year we have once again been invited to participate in this and will perform on the Community Stage at 11.15am on Saturday. The Community Zone is a free stage, so family and friends are welcome to attend and support our

students during their performances. This will be an exciting opportunity for all those performing and will provide them with an invaluable musical experience on stage. On a related matter in the past the Looe Music Festival weekend has created issues for some young people who, despite all the warnings and against everything they are taught about personal safety, ignore all the danger signs as they choose (or are pressured or enticed into) a weekend of revelry beyond their years and often well above their emotional and physiological capacity. We therefore feel obliged to remind parents and carers to consider the very real dangers posed by the large influx of strangers to our area, the darker undertones of the gig culture and the potential peer pressure for young people to indulge to excess in adult or illegal activities.

3. We look forward to welcoming our local MP Sheryll Murray to the Academy on Friday.
4. May I take this opportunity to remind students, parents and carers of our daily homework clubs, the details of which are below under the Clubs section. In addition to this we have a Parent/Carer drop-in café each Monday between 2.10-4.15pm in the IHC where any concerns about learning needs can be discussed.

**Scott Yalden, Headteacher**

## **Monday 16 September**

Year 7 students off site, STEMfest 2019 Big Boat Build, National Marine Aquarium  
Accompanying staff: Mr Gilbert, Mrs Lancaster, Mrs Ward, Miss Cox, Mr Richards, Mr Thorpe and Miss Sallows
