Health, Safety and Wellbeing - Taking Students Off Site
We are fortunate to offer students wider experiences and opportunities to learn away from the Academy, but this needs to be carefully managed to ensure that their learning is not disrupted and that they are kept safe. Staff are required to follow the well-established educational visits process; a good starting point is the Educational Visits folder on the Admin Shared Documents area. The checklist (see folder “Forms”) will guide you through the process, which starts by securing SLT approval for the activity. Once approved there are a number of key stages that need to be followed, including submission of the Educational Visits form, undertaking risk assessments, securing parental consent and providing a copy of all supporting documents to SLT emergency contacts. If in doubt about any part of the process, please see a member of SLT.

1. Well done to everyone who took part in the fantastic Sports, Health and Wellbeing Day last Friday. Special thanks to Miss Curtis and the PE Department for all their hard work.
2. Thank you to Olympian Michaela Breeze MBE for delivering workshops on achievement, healthy living and the power of coaching last week.
3. Thank you to Mr Deacon, Miss Clarke and Mrs Plane for accompanying Year 10 students to Saltash and Duchy Colleges for taster days last week.
4. Thank you to Mrs Kevern for accompanying students to ‘Meet the Author’ book launch event at saltash.net Community School last week.
5. We look forward to welcoming the pupils who will join us in September again on Thursday this week for a Performing Arts and Literacy Day.
6. Next week we look forward to our annual Challenge Week. We wish everyone a very enjoyable week. Please remember to send photos and updates while you are away and out and about to Mrs Willars for inclusion in the end of term newsletter.

7. Thank you to the staff who have used the IRIS Connect system. IRIS will be in the Humanities department this week. This device and software will be used for videoing lessons for the purpose of staff development and school improvement.
