25 January 2022

Dear Parent/Carer

COVID 19 - Daily Lateral Flow Testing

We have observed a steady increase in confirmed student cases in the Academy that has prompted us to examine what we might do next to eliminate this unwelcome trend.

Following consultation with the local health protection team, we recommend that all students undertake daily lateral flow tests at home for the next 7 days, starting from 26 January.

Please use the test kits that you currently have for twice-weekly testing and if you need more, then these are available from your local chemist, or can be ordered online. Alternatively, we do have a limited stock (while we await our next delivery), which your child can collect from Reception.

Please be assured that we regularly review the local situation and will adjust our measures accordingly.

Yours faithfully

Mr S Yalden
Headteacher
