Dear Student and Parent/Carer

Year 11 Mock Exams

Please find attached the timetable for the final set of Mock exams that start on **Monday 9 February 2026**.

Times are posted on exam notice board as well.

Please make sure that you revise. These mocks are **vital** as they will identify the gaps to help improve your final grades in the summer.

We want the grades, and so do you!

Use your 5-1, ask teachers before, during and after.

If for any reason you are unable to sit your mock at the time allocated, please let Mrs. Gordon know mgordon@looe.net, as soon as possible so she can arrange an alternative time for you.

Please note that this will **NOT** be an option for the final exams in the summer.

YOU HAVE GOT THIS!

Yours faithfully

Mr. Boyes and Mr. Saberton
