23 March 2022

Dear Parent/Carer

### **Information for Year 10 and 11**

As we enter the final few weeks build up to the start of the main bulk of the GCSE exams, we wanted to thank you for your support for our KS4 students. They are already working very hard and we have high expectations for their results this summer.

Attached to this letter is the list of term time extra support sessions on offer at both lunchtime and after school. There is also the exam timetable attached and the timetable of Easter revision sessions. Please look at this with your son or daughter and encourage them to attend the subject sessions where they feel they need some extra support or a boost. Students should aim to work between two and four hours a day over the holiday, with at least four days completely off. This is not to say that they should work all the time – they must enjoy themselves, take exercise, socialise and do something different. But the two to four hours is a good rule of thumb and is what we have said to students

Key dates:

Monday 16 May	Main written exams begin
Friday 24 June	Year 11 Prom, Hannafore Point Hotel (further details to follow)
Thursday 25 August	Results day

Finally, in terms of what is coming up, please don't hesitate to get in touch if you have any concerns or questions at this key point in their education.

Yours faithfully

*K Wood*

**Miss K Wood**  
**Assistant Headteacher KS4**
