23 January 2026

Dear Parent/Carer

Year 9 Options Evening

To assist with students choosing their GCSE Options subjects, we would like to provide you with an opportunity to meet with subject teachers at the Year 9 Options Evening on Thursday 5 February, 6:15pm until 7:30pm.

Your child has already seen what subjects are available to them, and we feel it would be beneficial for parents to be involved in the process. This event allows for you and your child to meet with the Option Subject teachers, who will provide you with information about the two-year courses that are available and give you and your child information that will enable them to choose subjects that are the best fit for their future.

Option booklets will be available on the night and the deadline for completion is Friday 13 February 2026.

This is not a bookable event – there will be a 15-minute presentation in the main hall, by Mr Riley, Head of Year 9/Careers Lead and Miss Irons, Senior Leadership Team and Options/timetable co-ordinator. This will be followed by an opportunity to meet with staff to see what each of the Option courses entails and whether this is suitable for your child.

If you are unable to attend this event but would like to discuss your child's Option choices, please contact the appropriate member of staff via email to arrange an appointment. This would be Mr Ed Gilbert, Mr Lea Riley, or Miss Lou Irons as they are taking lead of the whole process. Their emails are as follows:

egilbert@looea.net

lriley@looea.net

lirons@looea.net

We look forward to seeing you soon and thank you for your continued support.

Yours faithfully

Mr P Boyes
Headteacher
