25 September 2025

Dear Parent/Carer

I am delighted to inform you that we are introducing a new system called ClassCharts to further strengthen the partnership between home and school.

What is ClassCharts?

ClassCharts is an online platform that allows you to keep up to date with your child's achievements, behaviour and homework in real time, giving you instant access to information about your child's progress and daily school life. You will be able to see positive points awarded, behaviour incidents, homework set and attendance information, all in one place. Please note that **homework will still be set on SatchelOne this year** - we aim to fully move across to class charts for homework next academic year.

Benefits for Parents:

- Stay Informed: Receive real-time updates on your child's achievements and behaviour.
- Support Learning: View homework tasks and deadlines to help your child stay organised.
- Improve Communication: Easily contact your child's teachers if you have any questions or concerns.
- Monitor Attendance: Keep track of your child's attendance and punctuality.

How to Log On:

Each parent will receive a unique log on code, which will be sent home on paper with your child via their tutor **tomorrow (Friday)**. Please ask your child for this. Once you have your code, simply follow these steps:

1. Go to www.classcharts.com/parent/login or download 'ClassCharts Parents' from your app store.
2. Enter your unique code and follow the on-screen instructions to set up your account.
3. Once registered, you can access your child's information at any time.

Need Help Getting Started?

We recommend reading the official Class Charts Parents' Guide: <https://assets.tes.com/marketing/s3fs-public/documents/2024-08/class-charts-for-parents-guide.pdf> to help get you started with the app or online portal.

If you have any questions or need support with logging in, please do not hesitate to contact your child's tutor.

We are confident that ClassCharts will help you feel even more connected to your child's education and support their success at school. Thank you for your continued support.

Yours sincerely

Adam Saberton
Associate Assistant Headteacher
