Dear Parent/Carer

Year 7 PSHCE Autumn Term Update

I would like to inform you of the subjects your child will be learning in the Autumn Term in their PSHCE lessons. PSHCE composes of three themes, in line with our Academy values, which are taught twice a year and are delivered under the topic names of:

1. **Respectful Relationships:** Topic 1 – Relationships and Sex Education; Topic 2 – Celebrating Diversity and Equality
2. **Taking Responsibility:** Topic 1 – Life Beyond School; Topic 2 – Rights, Responsibilities and British Values
3. **Building Resilience:** Topic 1 – Health and Wellbeing; Topic 2 – Staying Safe Online and Offline

In the first half term, Year 7 will be completing life Beyond School. These lessons will include:

- Getting to know people in the tutor group
- What we mean by a community
- What a career is and how to plan for your future
- The importance of sleep and relaxation
- An introduction to finance
- How to deal with transition points in your life

In the second half term, Year 7 will be moving onto Health and Wellbeing, during which students will learn about:

- What happens to our bodies as we go through puberty and how to cope with these changes
- The importance of self esteem and how to build this
- Personal hygiene and dental care

By sharing these subjects with you I hope you can engage with your child about these topics and support their learning. If you need any advice or information regarding their topics, please contact me by email jreynolds@looecca.net

Yours faithfully

J Reynolds
