Dear Parent/Carer

Mock exam catch-up information

We are aware that some students missed their recent mock exams due to illness, transport issues, or adverse weather. To ensure they still have this important practice, we are scheduling additional mock sessions. Details of these sessions will be shared soon, and it is important that your child attends if possible.

If they cannot attend, missed exams will need to be completed during class time. Please note that this will not replicate formal exam conditions and won't be an option for the summer exams.

Thank you for your support. If you have any questions, please contact us.
