8 May 2024

Dear Parent/Carer

Post 16 Experiences Days- Callywith College and Cornwall College- St Austell

As part of the Positive Futures careers programme we are offering Year 10 students two opportunities to experience post 16 routes. The first is a day at Callywith College on Monday 1 July 2024. The other is at Cornwall College- St Austell on Thursday 4 July.

Callywith College

The taster day at Callywith College will allow our students to experience life as a college student and will be able to find out more about their study opportunities at the college. More details of this day are attached in a letter from Callywith college. There are only 67 places for this experience so it will be offered on a first come first served basis. The deadline for signing up is Tuesday 21 May. We will leave the academy at 9am and return for the end of the school day. Students will be required to wear full school uniform and a packed lunch is provided for them by Callywith, but can bring their own if they wish. Please can students select which course they would like to try using [the link here](#)

Cornwall College- St Austell

The taster day at Cornwall College- St Austell is part of their CareersFest programme and offers our students to try the courses on offer at the campus. Students select 2 options for the day, transport and lunch are provided. Students will need to register for this via the Cornwall College website by following [this link](#) or by the QR code on the attached flyer. Please note not all courses are run from St Austell campus.

Please consent on ParentPay for your child to be able to attend either or both visits by Friday 24 May.

Any questions please do not hesitate to contact me by email jreynolds@looecca.net

Yours faithfully

J Reynolds
