Dear Parent/Carer

Diversity Day – Monday 6 March 2023

I am writing to inform you about a Diversity Day that all students in Years 8 and 9 will be participating in on Monday 6 March.

This is the first time that we have held such a day at Looe Community Academy and will be an opportunity for students to experience different cultures and speakers from diverse communities.

The key theme for the day will be ‘no bystanders’ and we hope that students will explore how to respond to people who are from groups with protected characteristics in a way that helps them become tolerant members of society.

All students will be off timetable and will follow a timetable of talks and activities within their tutor group. There will be different ‘pathways’ through the day for each individual tutor group but we are hoping that there will something enjoyable for all students.

If you have any queries, please do not hesitate to contact me by telephone or by email at efowkes@looea.net

Yours faithfully

L Fowkes
