For drivers of Prom vehicles

Dear Driver

Advice for Drivers - Looe Community Academy Leavers' Prom 2023

Thank you for supporting the 2023 Looe Community Academy Leavers' Prom. Please take a minute to familiarise yourself with the drop-off arrangements for the Prom.

The Academy kindly requests that drivers of Prom vehicles [follow the route illustrated overleaf](#) to ensure that students arrive safely, and to minimise the impact on local road users.

This route requires you to [drive past the Hannafore Point Hotel](#), follow the road around in a [big loop](#) as indicated by our marshals so that your vehicle will be on the correct side of the road at the hotel to allow your [passengers to exit safely](#). Passengers should exit their vehicle the on the side of the pavement.

Drivers are reminded that this notice is for guidance only and that the [driver remains responsible for complying with all traffic regulations at all times](#).

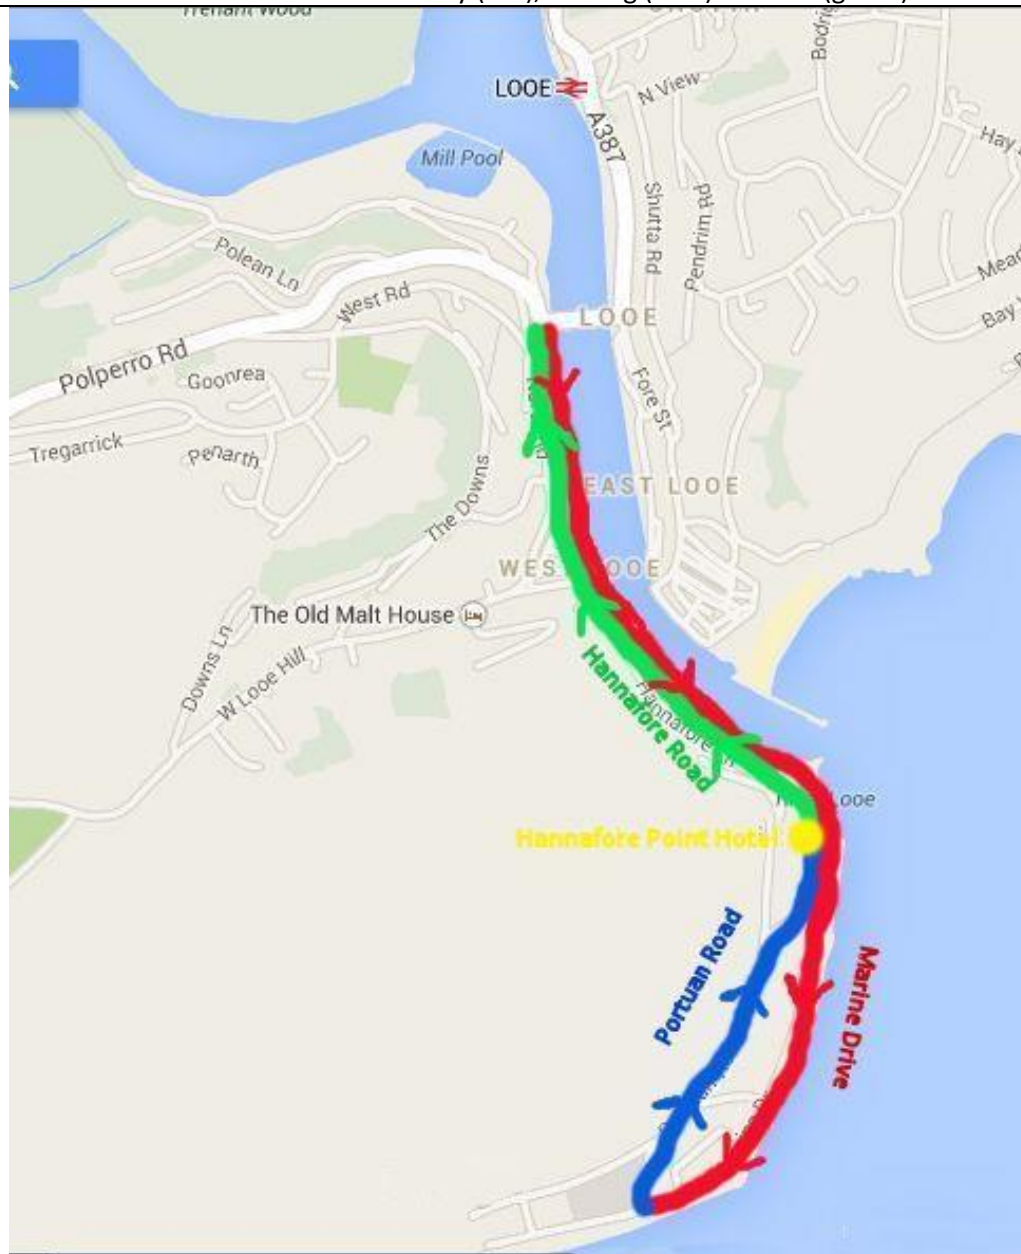

We thank you for your co-operation in making the Prom a safe, enjoyable and successful event.

Yours faithfully

L Sutcliffe
