Dear Parent/Carer

Challenge Week 2024

At Looe Community Academy, we are extremely pleased to be able to offer students in Years 7, 8 and 9 the opportunity to take part in Challenge Week 2024.

As with every year, this week promises to be an action packed 5 days that celebrates our students' achievements and allows them to develop their personal learning and thinking skills. For 2024 we have provided the opportunity for students to experience a range of activities that may not be readily available to them during their usual timetabled lessons.

Students can choose one of the fantastic residential experiences on offer or alternatively, they can enjoy the 'home programme' where they can opt for one of our 'challenge packages' that caters for a wide range of interests and budgets. The Challenge Week booklet sharing the packages that are available can be found on our website in the 'information and updates' area on this link <http://www.looe.cornwall.sch.uk/news-and-events/information-and-updates>

As your child will be selecting one package for the duration of Challenge Week, they should carefully consider the activities on offer and liaise with friends before signing up and paying a deposit.

We understand the launch is slightly later this year, however due to a number of staff changes we needed to ensure each trip had a lead member of staff to enable this week to go ahead. In light of this, you will be able to pay in instalments, between now and July, to support in staggering the payments for trips that have a significant financial outlay attached to them. Once deposits have been made then instalments can be paid on Parent Pay.

Deposits and top-up payments can be paid via ParentPay. Details about ParentPay have been sent previously to you and, if required, login details can be resent for those parents that have not yet activated their account. ParentPay will open for deposits on Monday 15 April at 12pm. Deposits should be paid by Monday 29 April with top up payments made by the dates set out on ParentPay. Activities will be available on a first come first served basis.

Yours faithfully

Lea Riley
Challenge Week Coordinator/Head of Year 9 and 10

Sunday 14th July: We will begin our journey by setting off from the Academy on our 'executive coach' to **West Midlands Safari Park**, where students will be able to interact with and witness some of nature's greatest animals and creatures. The students will then head to Hinkley for an overnight stay at the Premier Inn Hotel, where they will feast on a restaurant evening meal, before getting a well-earned night's sleep.

Monday 15th July On awakening, a choice of breakfast will be provided before travelling the short journey to **Alton Towers Theme Park** for a choice of an action-packed day on the rides for the thrill seekers, or a more leisurely approach to the wide range of 'calmer' activities for others. The day will finish by travelling direct to London for a good night's sleep, gearing up for 3 full days of adventures in our nation's capital.

Tuesday 16th July: After breakfast, we will head out for a city stroll, taking in some of the main tourist areas such as **Buckingham Palace, Big Ben, Houses of Parliament, Trafalgar Square, Downing Street, Horse Guards Parade** and a brief stop off at the beautiful area of **Hyde Park**. An evening meal awaits, in preparation for our night on the tiles to see **SIX - The Musical**. What a way to end the day!!

Thursday 18th July: Another morning fuelling, before heading out to **The Science Museum** and **Natural History Museum** to witness and interact with some of the incredible spectacles each has to offer! Friday 21st July After another laid on hotel breakfast, the finale...**Thorpe Park!** Whether you are the ultimate rollercoaster rider or more of a log flume luger...this place has it all!!
